

interface/interface.cpp

```
graph TD; A[interface/interface.cpp] --> B[interface.h]; A --> C[cmath];
```

A diagram illustrating a file dependency. At the top, a dark gray box contains the text 'interface/interface.cpp'. Two blue arrows originate from the bottom of this box. The left arrow points to a light gray box labeled 'interface.h'. The right arrow points to a light gray box labeled 'cmath'.

interface.h
